* Oregon University System (OUS) Social Security Number Disclosure

Southern Oregon University must get your correct social security number (SSN) to file certain information returns with the IRS and to furnish a statement to you. The returns we must file contain information about qualified tuition and related expenses (Form 1098T, Tuition Payments Statement) and student loan interest (Form 1098-E, Student Loan Interest Statement). The information about your tuition will help to determine whether you, or the person who can claim you as a dependent, may take the Hope credit or lifetime learning credit to reduce Federal income tax. The information about your student loan interest will help to determine your deduction for such interest.
