[Creating Productive Harmony between Human and Natural Environments](#)

A Human Geographic Issue Management System for Natural Resource Managers in the Willamette Valley, Oregon

Table of Contents

Chapter 1: Project Background Report	1
Chapter 2: The Greater Salem Human Resource Unit (HRU)	22
Chapter 3: The Detroit CRU	59
Section A: Baseline Social and Economic Information	59
Section B: Communication Strategies	68
Section C: The Public Lands Perspective	70
Chapter 4: The Mills City/Lyons CRU	80
Section A: Baseline Social and Economic Information	80
Section B: Communication Strategies	90
Section C: The Public Lands Perspective	93
Chapter 5: The Silverton/Mt. Angel CRU	102
Section A: Baseline Social and Economic Information	102
Section B: Communication Strategies	112
Section C: The Public Lands Perspective	114
Chapter 6: The Stayton/Sublimity CRU	118
Section A: Baseline Social and Economic Information	118
Section B: Communication Strategies	139
Section C: The Public Lands Perspective	142
Chapter 7: The Woodburn CRU	153
Section A: Baseline Social and Economic Information	153
Section B: Communication Strategies	161
Section C: The Public Lands Perspective	162
Chapter 8: The Dallas CRU	165
Section A: Baseline Social and Economic Information	165
Section B: Communication Strategies	173
Section C: The Public Lands Perspective	175
Chapter 9: The Falls City CRU	181
Section A: Baseline Social and Economic Information	181
Section B: Communication Strategies	189
Section C: The Public Lands Perspective	190
Chapter 10: The Monmouth/Independence CRU	195
Section A: Baseline Social and Economic Information	195
Section B: Communication Strategies	204
Section C: The Public Lands Perspective	207

Chapter 11: The Salem Metro CRU	215
Section A: Baseline Social and Economic Information	215
Section B: Communication Strategies	225
Section C: The Public Lands Perspective	227
Chapter 12: The Mid-Valley Human Resource Unit (HRU)	235
Chapter 13: The Philomath CRU	267
Section A: Baseline Social and Economic Information	267
Section B: Communication Strategies	277
Section C: The Public Lands Perspective	278
Chapter 14: The Alsea CRU	284
Section A: Baseline Social and Economic Information	284
Section B: Communication Strategies	291
Section C: The Public Lands Perspective	292
Chapter 15: The Corvallis CRU	297
Section A: Baseline Social and Economic Information	297
Section B: Communication Strategies	308
Section C: The Public Lands Perspective	311
Chapter 16: The Albany CRU	322
Section A: Baseline Social and Economic Information	322
Section B: Communication Strategies	334
Section C: The Public Lands Perspective	337
Chapter 17: The Brownsville CRU	343
Section A: Baseline Social and Economic Information	343
Section B: Communication Strategies	349
Section C: The Public Lands Perspective	350
Chapter 18: The Lebanon CRU	353
Section A: Baseline Social and Economic Information	353
Section B: Communication Strategies	360
Section C: The Public Lands Perspective	361
Chapter 19: The Sweet Home CRU	364
Section A: Baseline Social and Economic Information	364
Section B: Communication Strategies	378
Section C: The Public Lands Perspective	381
Chapter 20: The South Willamette Human Resource Unit (HRU)	393
Chapter 21: The Upper McKenzie CRU	431
Section A: Baseline Social and Economic Information	431
Section B: Communication Strategies	449
Section C: The Public Lands Perspective	451
Chapter 22: The Oakridge CRU	460
Section A: Baseline Social and Economic Information	460
Section B: Communication Strategies	471
Section C: The Public Lands Perspective	472

Chapter 23: The Springfield CRU	480
Section A: Baseline Social and Economic Information	480
Section B: Communication Strategies	493
Section C: The Public Lands Perspective	495
Chapter 24: The Eugene CRU	500
Section A: Baseline Social and Economic Information	500
Section B: Communication Strategies	514
Section C: The Public Lands Perspective	518
Chapter 25: The Tri-County CRU	542
Section A: Baseline Social and Economic Information	542
Section B: Communication Strategies	555
Section C: The Public Lands Perspective	557
Chapter 26: The Fern Ridge CRU	560
Section A: Baseline Social and Economic Information	560
Section B: Communication Strategies	568
Section C: The Public Lands Perspective	569
Chapter 27: The Cottage Grove CRU	573
Section A: Baseline Social and Economic Information	573
Section B: Communication Strategies	582
Section C: The Public Lands Perspective	584
Chapter 28: Major Findings and Final Recommendations	591
Appendix A: About James Kent Associates	A-1
Appendix B: Methods for the Development of Human Geographic Boundaries And Their Uses	B-1
Appendix C: All Maps Included in This Report (Included in CD but not in text report)	
Appendix D: Team Resumes	D-1
